

CONVERTIBLE TOP—REPLACEMENT OF OLDER TOP FRAMES—VEHICLES BUILT BEFORE 7/15/92

**Article No.
94-2-5**

MERCURY: 1991-1993 CAPRI

This TSB article is being republished in its entirety to include several parts which were inadvertently omitted.

ISSUE

Older level convertible wide header top frames are no longer available. They have been superseded by the new level narrow header convertible top assemblies which were introduced in production on July 15, 1992.

ACTION

If replacement of an older level convertible wide header top frame is required, install a new level narrow header convertible top assembly. Also, replace the door sliding window and front window channel/quarter window glass assemblies with new level parts to accommodate the narrow header convertible top.

Refer to the following pages of the 1993 Capri Service Manual for service replacement procedures.

- Convertible Top Assembly Removal and Installation - Pages 01-17A-3/16
- Front Window Channel/Quarter Window Removal and Installation - Pages 01-11-14/15
- Window Glass Removal and Installation - Pages 01-11-9/11

NOTE

DOOR GLASS ALIGNMENT SETTINGS ARE NOT ALTERED WITH THE UPGRADE TO THE NARROW HEADER CONVERTIBLE TOP AND ADJUSTMENT METHODS REMAIN THE SAME.

NOTE

CONVERTIBLE NARROW HEADER TOP FRAME AND TOP COVER MATERIAL ARE AVAILABLE AS SEPARATE SERVICE PARTS AND ARE

ALSO INCLUDED IN THE PARTS BLOCK OF THIS ARTICLE.

NOTE

WIDE HEADER CONVERTIBLE TOP MATERIAL WILL REMAIN AVAILABLE AS A SERVICE PART.
